

Heat United Soccer Club Player/Parent Contract

The Executive Board and Trainers would like to welcome you to the Heat United Soccer Club. Being a part of a travel team requires a great deal of commitment and hard work. The goals of our club are to make your time with us challenging, rewarding, and fun. Your trainers will expect your full commitment to your team as well as the club. You must be aware that this is an “earn-to-play” club. Your attendance at practice and games with proper practice attire and equipment will be expected.

The player/parent understands that as a member of the Heat United Soccer Club they shall conduct themselves in a sportsmanlike manner at all times before, during and after the practices and games. Each time a player puts on the Heat United uniform they are representing the whole club. Poor player/parent conduct is detrimental to the reputation of the Heat United Soccer Club; failure to conduct your self in the appropriate manner will be grounds for suspension or removal from the club and will be dealt with on a case by case basis by the Executive Board and Training Staff.

The player agrees to make their best effort to attend all training sessions, practice games, league games and tournament games that their respective team is participating in. The club allows the player to attend another teams training session if a conflict does arise. Repeated unexcused absences at training session and games may result in reduction in playing time and /or removal from the team.

Annual Club fees are listed below for a full year (fall, winter and spring) unless U15 or up. This includes, but is not limited to, field rental, insurance, training, and referee fees. Your fees must be made in a timely manner and in accordance with the schedule below. Communication is required if payments can not be made in a timely manner with the Treasurer.
