

Heat United Soccer Club

Mission Statement

HU soccer club's mission statement is to provide an opportunity for youth to develop and grow in our community through participation in athletic competition. Our goal is to foster a welcoming, enjoyable, safe and competitive environment which will assist in the social and physical development for children of all skill levels. Our goal is to create complete soccer players with love for the game and a greater chance for future success.

High School Ages U15-U18

Our High School program is a college-preparatory program. We are committed to providing our participants with opportunity to seek collegiate athletic scholarships and accomplish further inspirations in the game.

We will do this through:

1. Provide high level instruction of the technical, tactical, physical and psychological aspects of soccer
2. Participate in highest levels of competition
3. Participate in high level tournaments and college showcases
4. Promote and showcase our program to the College Soccer Coaches Community
5. Refer participants to colleges coaches
6. Assist participants and families with college recruitment

Vision

To be a model soccer club in the Chicagoland area, with a long term plan for existence and service to the community

Values

Continue to service our members, with caring and joyful spirit and the treat everyone in the soccer community with respect and dignity.
